Access NJM's Award-Winning Teen Driver Safety Programs Online

Your classroom has moved online, and so have we. Now you can access NJM's Teen Driver Safety Programs, including Share the Keys, online.

Share the Keys

Share the Keys is a 60-minute, interactive program for parents and their teen drivers. Offered free of charge to schools, the program increases awareness and encourages community involvement to help keep teen drivers safe.

What Do You Consider Lethal?

What Do You Consider Lethal? is an evidence-based program from our partners at Impact Teen Drivers, a non-profit dedicated to saving lives by empowering people to drive more safely. This program encourages teens to make responsible decisions and avoid reckless and distracted driving.
